Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

Raise has demonstrated exceptional leadership and commitment through her role as a volunteer Sunday school teacher and active participant in church activities. She consistently takes the initiative in organizing lessons, engaging children with creative teaching methods, and ensuring a welcoming and nurturing environment for them to grow in their faith. Her dedication extends beyond teaching, as she often steps up to help coordinate youth events, assist in church programs, and mentor younger members of the congregation.

Her impact on the community is deeply felt, especially in the lives of the children she teaches, who not only learn about their faith but also gain a positive role model in Raise. She exemplifies leadership through her humility, compassion, and ability to work well with both peers and elders in the church, fostering a strong sense of unity and service. Her contributions have undoubtedly enriched our church community, and her unwavering dedication to serving others is an inspiration to all.

The committee should know that Raise is a reliable, compassionate, and motivated individual whose leadership continues to leave a lasting, positive impact.
