Recommendation

This letter is to recommend Dorina B. Lobo for inclusion in your educational scholarship program. As a senior high school adviser, I saw many young hopefuls, and she had been one of them. She is a well-behaved student and active member of the community.

During her high school years, she was a conscientious young person with a positive self-image. She followed school rules and regulations and represented the role of a good community member. Her respectful behavior, attitude, and enthusiasm for studying qualified her to be a scholar. I attest to this student's dedication to her scholarly pursuits.

I am confident she will seize this opportunity and give it her all. I am convinced she will make the most of the opportunity and positively contribute to our community by influencing other young people.

If you have any further questions or need clarification, please contact me by email melissagerzon278@gmail.com.

Thank you for including this student in your scholarship program and giving her the opportunity to pursue her aspirations. God bless and greater power.

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.
