Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

The applicant has exhibited outstanding leadership skills through her role as a previous Grade 12 representative and has made a significant impact on both the school community and the broader community through various initiatives, with the successful school feeding program being their most notable accomplishment. Among her leadership achievements, the most remarkable is the successful implementation of a local feeding program designed to give smile and spread positivity. Through that the program not only provided meals to the kids in need but also established a sense of community, bringing together volunteers and recipients in a shared mission to support one another.
