Recommendation:

Good day!

I am writing to recommend Ms. Karol Josef M. Flores, a 2nd year student who is currently taking Bachelor of Arts in English Language Studies at Cavite State University. She was my former student when she was a first-year college student.

As a student, a hard-working person would perfectly describe her. She never missed a deadline, for she has always been committed to finishing a task assigned to her. As she accomplishes the task, she also ensures that learning and improvement will take place. Ms. Flores always strives for the best output/performance that she could offer. Her final grade of 1.00 in my subject serves as proof of her diligence, tenacity, and natural intelligence. Therefore, from the standpoint of a teacher, I can confidently state that she is more than deserving of this scholarship.

Should you have any further questions about Ms. Flores, feel free to reach me through my phone number (0975 526 5215) or email address (juliepereyg@cvsu.edu.ph).

Thank you!
