### Recommendation:

Peace in the name of our Lord Jesus Christ,.

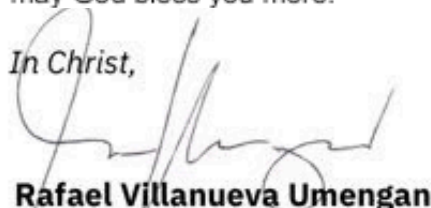

I am writing to recommend Ms. Alleyshe Mae Pamintuan in her application for a scholarship opportunity with your Scholarship Program. Alleshe is a daughter of one of our Pastors in our local church in Angeles City, Pampanga.

I enjoy working with Alleyshe during my stay in Angeles Pampanga during my mission trip. and am pleased to offer this recommendation for I have seen her leadership style, core values and her spirit of excellence. I have great admiration for her as a person as she leads all our girls campus people. and I am confident that she is deserving of this recommendation. She has proven herself through her history of consistency in ending the school year with a mention of honor. Her report card would definitely support this claim. She is so positive and dedicated towards any task assigned to her. Her respect for the church leaders is also commendable, I never hear her complain every time the admin team demands her attention if there are any changes to be made in her ministry, the Kids Church.

In addition, her attitude of being composed in the middle of pressure reveals her fruit of the spirit, love, joy, peace, self-control and I believe that knowledge is something we can gain from textbooks but character, right attitude is everything.

Should you need to verify this recommendation, feel free to send me a message thru the contact details written above, thank you for your heart to education and next generation leaders of the society. I pray that may God bless you more!

*In Christ,*
