Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

It is my great pleasure to recommend Kesiah Grace Abas for this scholarship program. I am Kesiah's bible teacher and Spiritual leader at the Potter's House Christian Center and have had opportunity of working with her on several activities and programs. I see that the scholarship is intended to go to someone who demonstrates good leadership skills. Kesiah Grace fits this guidelines perfectly. This past years she took on responsibility for our Community Outreach Program consistently. She collaborated with other young people in our team in teaching and bringing hope to the youth in our community. She is also gifted in drawing out the talents of others and bringing out the best of them. It is rare to meet a student who is mature, accountable and result-oriented. I can wholeheartedly recommend her for this precious scholarship that will make a great help not only to her but also for her family. Her demonstrated leadership, relentless passion and God-given vision have made a positive impact not just in our church but also in her school and even to our community. I have no doubt that this will continue at the university she will be attending next.
