Dear PCAFPD,

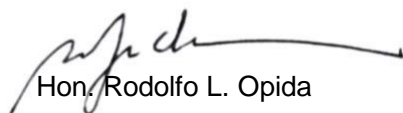

Good day!

I am Rodolfo L. Opida, the Barangay Captain of Layon, Ligao City. I known Ms. Bea L. Credo as a active and supportive in Barangay's activities and projects.

Bea L. Credo, is an indigent resident of Layon Ligao City, she personally participated and actively giving support to the Barangay's activity and call for volunteers. She is involved in any project in the community in line with the 4Ps activities. One prominent activity is building the Barangay's garden, she gives her ample time to participate and join fellow residents of Layon to clean and plant in designated vacant lot near our Barangay hall. This garden is maintained because of those volunteers who continue to help thus making it a functional garden. That particular project aims to help families of Layon specifically members of 4Ps whose in need of support for everyday living and that garden project is a big help for everyone. She also give her time whenever there's a call for a clean drive in our Barangay which is of great help in alleviating the community's struggle in maintaining cleanliness in respective areas in our Barangay.

Another community service she employed and contributed is evident in one of projects part of our Barangay which is the Project Bless, helping children to learn how to read and write. This projects goal is to let children as young as they are, are already able to be literate of fundamentals and foundations in education which is learning how to read and write. Within that project feeding program is also employed in children whose part of it, thus making Bea an active volunteer in helping other
