To whom it may concern:

I am writing to recommend Kayla Mea S. Bilocura for acceptance into your scholarship program. I have had the pleasure of teaching Ms. Bilocura here at Salamanca National High School, where I was her teacher during her Junior and Senior High School years.

Ms. Bilocura consistently excelled academically during her Junior High School years. She was awarded With High Honors and With Honors respectively. She demonstrated strong leadership skills and worked well with others as a student leader. She was a class president for 5 consecutive years during Junior High. She also became an SSG president during Senior High. Her dedication to sports, particularly Track and Field, contributed to her discipline and grit.

During her Senior High School years, Ms. Bilocura displayed remarkable resilience in overcoming the challenges posed by the new normal learning environment. In addition, as her class adviser in Grade 8, I witnessed firsthand how she led her classmates in various activities. Not only was she academically inclined, but she also represented our district in the Provincial Sports Meet, where she exhibited exceptional discipline and determination as a member of the Athletics team.

Knowing Ms. Bilocura, I can confidently recommend her to be a member of your scholarship program. Her academic excellence, leadership skills, and resilience make her an ideal candidate for this opportunity.

Respectfully yours,
