Name: Sherin B. Peñanueva

Current School: Holy Cross of Davao College

Recommendation

Sherin Peñanueva have an excellent leadership skills, that is when honed continuously will surely flourish. It can be seen from how she handles the obligation and tasks within our barangay as a representative of their household. She contributes in coming up of plans and doing activities that could help our barangay become better. She is a great planner, have excellent communication skills, great will power and have an amazing outlook in life. I think that she deserves to get your support because I think that she will use it as a source of energy to keep up herself more, bring out the best in her and I think that she really needed it, knowing that the only one proving for her is her older sister. As her parents is divorce and she have 4 more siblings who her mother needed to provide aside from her.
