Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

Recommendation

I am Mark Anthony Miralles minister of Iglesia Ni Cristo (Church of Christ) in the locale congregation of Mabini where the applicant is currently in, Eran M. Amahit. I sincerely certify that Eran M. Amahit is an active member of the Iglesia Ni Cristo (Church of Christ) in our locale congregation. He became one of the responsible president in Binhi Organization in our locale, he led his Binhi members in his time to a lively obedience to God's commandments. Through his leadership with the help of God he became the role model in an active worshipping in God.

He also prioritize God above all things, he is also a courteous son to his parents. And as of now he is an active organist in our locale congregation, leading all the choir members in our locale in lively singing worship songs in every worship service. And because of that I am confident that these qualities make him an outstanding candidate for this scholarship.
