Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I'm happy to provide a recommendation for Eivnard Franco, who is applying for your scholarship grant that will help him sustain his financial needs in his undergraduate program journey.

I had the opportunity to teach Eivnard for two semesters last academic year and to mentor him for two semesters this academic year for his personal development. I can say that he is one of the best students in his section and a remarkable student in the entire batch.

When he was my student in GenMath and Stat&Prob, he showed proficiency and enthusiasm in these subjects. This is evident in his pen-and-paper exams and even in his class participation. His academic record reflects not only his intelligence but also his study discipline.

Aside from his academic excellence, he is also a capable student leader. For this year, he led the Registration Committee in every school activity. This is a great experience for him, as he was able to learn how to deal with different people and properly communicate with his fellow committee members.

With these anecdotes, I'm confident that he is deserving of the scholarship grant that will surely help him in his undergraduate education. He has my highest recommendation, and I'm excited to see what he can accomplish in the future.
