

To Whom It May Concern,

It is with great joy and full confidence that I write this letter of recommendation for Daphney Romano in support of her scholarship application. I have had the privilege of serving alongside Daphney through Youth on the Rock (YTR), a faith-based organization where we both lead and worship. In her role as coordinator, Daphney has consistently shown exceptional dedication, faith, and leadership.

Daphney is not only an active member of our ministry, but she also carries a genuine heart for service. She approaches every task with excellence and humility, always putting the needs of others first. Whether organizing outreach events, supporting worship, or mentoring other members, she serves with purpose and integrity. Her leadership is not loud or self-seeking—it is Christ-centered and consistent. I believe Daphney is more than deserving of this scholarship. She is not only academically capable but also spiritually grounded and community-minded. Investing in her education means investing in someone who will continue to give back, lead with purpose, and walk in alignment with godly values.

It is rare to find someone so young with such strong vision, discipline, and humility. I wholeheartedly recommend Daphney Romano, knowing that she will honor this opportunity with excellence and gratitude.

Sincerely,
Princess Tecson
Leader, Youth on the Rock (YTR)
