Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

As a HT-III in the Filipino/Edukasyon sa Pagpapakatao/Araling Panlipunan Department, I am writing to enthusiastically recommend Kris Cancino for the PCAFPD scholarship. I've had the pleasure of observing Kris's development and contributions, and I can attest to their exceptional leadership skills, notable accomplishments, and significant positive impact on our community.

Kris is a standout STEM graduate who consistently demonstrates academic excellence, culminating in honors recognition and a prestigious Silver Award (blue medal). This achievement alone speaks volumes about their dedication and intellectual prowess. Beyond academic accolades, Kris's leadership potential is evident in their active participation and success in the Division School Press Conference 2025, where they undoubtedly showcased their communication and critical thinking skills.

What truly sets Kris apart, however, is their deep commitment to community service and leadership. Their recent involvement as a classroom auditor demonstrates an early aptitude for meticulousness, responsibility, and maintaining order, which are crucial leadership qualities. Furthermore, their role as a PPCRV volunteer at the voter's assistance desk during the 2025 elections highlights a proactive and responsible civic engagement. This role required strong organizational skills, empathy, and the ability to guide and assist others effectively – all hallmarks of a true leader. Kris's participation in Brigada Eskwela 2025 further showcases their dedication to improving our shared environment and fostering a spirit of collective responsibility.

The impact of Kris's contributions on our community is tangible. Through their work as a PPCRV volunteer, they directly facilitated the democratic process, ensuring a smoother and more accessible experience for voters. Their efforts in Brigada Eskwela have undoubtedly contributed to a more conducive learning environment for students in our local schools. These actions reflect a genuine desire to serve and uplift those around them.

I believe the committee should also know that Kris possesses an admirable work ethic, a collaborative spirit, and an eagerness to learn and grow. They are a highly motivated individual who takes initiative and consistently goes above and beyond expectations. Kris is not just an academically strong student; they are a compassionate and engaged citizen who embodies the very values the PCAFPD scholarship seeks to promote.

I am confident that Kris Cancino will not only excel in their studies if granted this scholarship but will also continue to be a positive force and a leader within their community. They are truly deserving of this opportunity.
