Peace Corps Philippines

To whom it may concern,

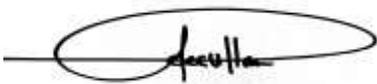

I am writing to recommend **John Carl M. Ampo** for your scholarship program. I had the pleasure of teaching John Carl in high school at Antonio A. Maceda Integrated School, where he completed the ICT strand with honors in 2024. He is now a student at the Polytechnic University of the Philippines.

John Carl was an outstanding student—hardworking, respectful, and always eager to learn. He also showed strong leadership skills as a member of the Supreme Secondary Learner Government (SSLG), where he actively participated in school initiatives and student concerns.

I believe he has great potential and will make the most of any opportunity given to him. I fully support his application and hope you consider him for your scholarship.

Please feel free to contact me for any further information.

Sincerely,
