Name of Recommending Official: Hon. Jun G. Flores

Position: Barangay Captain

Barangay: Pangal Sur Echague Isabela

Municipality/City: Echague

Province: Isabela

TO WHOM IT MAY CONCERN:

I am writing this recommendation in support of Gian Hope C. Tumaneng, a resident of our barangay, who is applying for the PCAFPD Scholarship Program.

As the Barangay Captain of Pangal Sur, I have known Gian Hope and their family for several years. They are well-mannered, respectful, and actively involved in both school and community activities. Despite the financial challenges their family faces, Gian Hope remains focused on their studies and continues to show determination and perseverance.

They have always shown a deep sense of responsibility, not only in academics but also in helping the community whenever possible. I believe that with the right support and opportunity, Gian Hope will go far and will use their education to make a positive difference in our society.

I strongly recommend Gian Hope C. Tumaneng for the scholarship. I am confident that they will be a dedicated and hardworking scholar who will make the most out of this opportunity and will give back to the country in the future.

Thank you and more power.

Respectfully,
