### Recommendation

I am honored to write this letter of recommendation for **Maricris M. Costales**, a remarkable student who has demonstrated exceptional dedication, intellect, and perseverance in her academic and extracurricular pursuits. As her **former coach in Dominican College of Sta. Rosa – Emergency Response Team** and as her **former SHS Science teacher in Dominican College of Sta. Rosa-Laguna**, I had the privilege of witnessing her dedication and contributions firsthand.

Ms. Costales possesses a discerning intellect and a passion for learning with a collaboration from her peers. She consistently displays a strong work ethic and an eagerness to engage with challenging concepts such as planning and decision making, which has led to outstanding achievements in her academic endeavors. Beyond her scholastic excellence, she exhibits leadership qualities, integrity, respect and a good moral value, making her a serviceable member of our institution.

Her ability to balance her academic responsibilities with extra-curricular activities showcases her time-management skills and adaptability, still she continually strives for innovative and excellence in everything she undertakes.

I am confident that Maricris M. Costales will make a significant and positive impact in any academic or professional setting she pursues. She is not only a valiant student but also a compassionate and driven individual with great potential. I wholeheartedly recommend her and believe she will thrive in any opportunity presented to her.

Should you require any further information, please do not hesitate to contact me.
