**Mr. Shammua was my student before when he was a Grade 7 way back SY 2019-2020. As a subject teacher in Social Science, I can testify the potential of the said student as to her mastery in my lesson and competitiveness in performance task as he is always nominated by his peer as their group leader. He shows responsibility and dedication in his study as shown to her awards as honor student, in fact he is a consistent honor student from Grade 7 up to Grade 12. Aside from academic field, he is an active BKD Peace Officer in SY 2023-2024, and a SSLG Grade 12 Representative in SY 2024-2025. The said officer was an active member in implementing our advocacies in mental health awareness, drug preventive education, entrepreneurship consciousness, moral recovery program, environmental protection, outreach activities, and other events related to youth empowerment. Because of the said advocacy, the organization was able to provide intervention and protection booth for the welfare of the students and for the ecosystem. The effort that Mr. Shammua had perform contribute to the success of the activities, in fact the organization he worked with was recognize as Best MakaTao Program Implementor and Best BKD Adviser during the Division level Gawad Siklab in SY 2023-2024. Success lies in the group effort sacrificed by the officers, and Mr. Shammua play a significant role for such accomplishment.**
