Recommendation

- I, Benjamin C. Abregado, see this applicant, Sunshine Joy C. Manglib, to be deserving of the scholarship grant due to her exemplary performance as a student of Cauayan City Stand-Alone Senior High School in the school year 2023-2025. She embodies the qualities of a student leader, excelled in her academics as a consistent honor student and has received numerous awards/recognition in tested activities in the division, regional and even in a national competition. These mentioned, she is highly deserving of a grant that can support her journey as a college student and I see her motive of returning her honor into serving her community, the City of Cauayan. As a senior high school student, she has contributed to her community through research and investigatory robotics, clinching the top researcher in the Division Festival of Talents under the Robotics Category. This allowed them to enter the regionals and represent the City of Cauayan at the national level as well.

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.
