Good day! I humbly recommend my former student in Camarin High School, Vangie C. Jaime to please accept her on your scholarship program. She deserves to be one of your scholars as she comes from a poor family. She lives with her auntie and do her best to help especially in household chores and other errands. During her stay in Camarin High School, she excels academically as one of my honor students. She is responsible and committed person as she is one of my classroom officers. She displays leadership skills by guiding her fellow classmates academically and in orderliness of the classroom. Her accomplishments as a student marks in the four corner of our classroom and attested by her classmates she helps.

I hope that this recommendation letter gives the PCAF for Phil. Development enough information regarding the said applicant. If you have any questions or need clarifications please feel free to contact me on my email account and my personal contact number 09606226372. I will be glad to help.

Thank you and more power.
