Recommendation

To PCAFPD Scholarship Committee,

I am writing this letter to formally recommend Ms. Jheriema S. Mirafuentes as a deserving candidate for the PCAFPD scholarship at Holy Cross College.

During her years as a senior high school student, I've been continuously impressed by her commitment to learning and desire to improve her school community. As her teacher, I've had the privilege of watching Ms. Mirafuentes' diligence, and initiative to produce excellent results in her studies and strives to uplift others so that everyone can become the best version of themselves.

Her independence and leadership skills are to admire as well. There is this event where she exhibits these qualities, there was a period where I was hospitalized due to Dengue virus. It was a crucial time as they are about to end the semester. She was tasked to lead their class in their Art Exhibit. Despite of my absence and minimal supervisions, they managed to produced Artworks and participated in the Exhibit. I believed her leadership and diligence are a big part on that success.

The values behind this scholarship program are the ones I recognize in Ms. Mirafuentes, and I am sure she will prove herself to be a worthy scholarship recipient. Thus, I can think of no one else as better recipient of this scholarship.

If you have any other questions or wish to gain more information, don't hesitate to contact me. You can reach me at the email address I provided above. Kind regards,
