

## Saint Vincent Institute -SVI/ St. Vincent's Institute of Maribojoc, Inc.

June 8,2025

### To Whom It May Concern,

It is with great pleasure that I write this letter of recommendation for Ms. **Imee C. Limpo**, who has served as a science teacher at **Saint Vincent Institute** for the past 8 years. During this time, I have had the opportunity to observe their dedication, professionalism, and deep commitment to student learning.

**Ms. Limpo** brings an exceptional level of energy and enthusiasm to the classroom. Their lessons are thoughtfully planned, engaging, and grounded in current scientific understanding. They excel at making complex concepts accessible, using real-world examples, interactive experiments, and a variety of teaching tools to spark curiosity in students.

Beyond their teaching expertise, Ms. Limpo fosters a learning environment that encourages inquiry, critical thinking, and collaboration. Students consistently express how inspired they feel in her classroom, and this is reflected in improved performance and a growing interest in science among our student body.

In addition to her teaching duties, Ms. Limpo has contributed significantly to our school community by **facilitating some extracurricular involvement— like leading a science club, mentoring students, organizing science fairs, etc.** These efforts have enriched the academic experience of our students and strengthened our STEM programs.

I am confident that **Ms. Imee C. Limpo** will be an asset to any educational institution. She is not only a skilled educator but also a lifelong learner who continually seeks ways to improve and innovate. I recommend her without reservation.

If you require any further information, please feel free to contact me.

Sincerely,

**NIÑO JAY C. GASTONES, MA-ENGLISH**

**School Principal**
