### Recommendation

**I strongly recommend Andrea O. Magdayo for the PCAFPD scholarship, as she have consistently demonstrated outstanding leadership, resilience, and dedication to their community. As Barangay Captain of Barangay Antipolo, I have seen firsthand her ability to organize, inspire, and contribute meaningfully to local initiatives. Her role in leading Maroon JamFest 2025 showcased her resourcefulness, teamwork, and commitment to fostering opportunities for others. Despite financial hardships, she remain determined to excel academically, particularly in accountancy, where they aspire to promote financial integrity and responsible governance. Granting this scholarship will enable her to further their education and extend her positive impact on society.**
