REV. FR. ALDRIN R. SUAN, CM  
Vice President for Student Affairs  
Adamson University  
San Marcelino, Ermita Manila

Dear Rev. Fr. Suan,

Greetings!

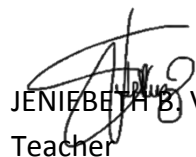

I am writing to wholeheartedly recommend Princess Ella A. Añonuevo, a former student of San Francisco Parochial Academy, Inc., as a deserving applicant for the Scholarship Assistance for Education Students (SAES). I was her subject teacher and I have witnessed her dedication to her studies, her respectful attitude, and her eagerness to learn.

Princess Ella is a responsible and hardworking student. She consistently showed good performance in class and was always willing to help her classmates. Her dream to become a future educator is admirable, and I believe she will be a great teacher someday.

She will be attending Adamson University, and I believe the scholarship will help her reach her goals. I fully support her application and believe she is a worthy candidate.

Thank you for considering her application!

Sincerely,

JENIEBETH S. VELUZ  
Teacher
