

Letter of Recommendation

June 10, 2025

Irving L. Macabinguil Jr.
Barangay Captain
Brgy. Cabangahan, Siaton, Neg. Or.

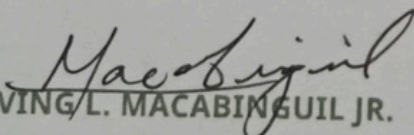

To whom it may concern,

I hereby recommend Anne Jacklyn D. Gadiane, a resident of our barangay, who has shown strong commitment to community service and leadership potential. She is an active leader in the Youth for Environment in Schools Organization at Siaton Science High School.

Anne Jacklyn D. Gadiane participated in the White Christmas donation drive held at Nasipit Elementary School in Nasipit, Cabangahan, Siaton, Negros Oriental. During this outreach, she supervised the feeding program, providing meals not only to the children attending Nasipit Elementary School but also to their parents and guardians.

Through this experience, she demonstrated responsibility, compassion, and the ability to lead a community project that benefits others. Based on her dedication and character, I believe she is highly suitable for the scholarship and will continue to make positive contributions to our community.

Sincerely,

IRVING L. MACABINGUIL JR.
Barangay Captain
