Dear Sir/Ma'am:

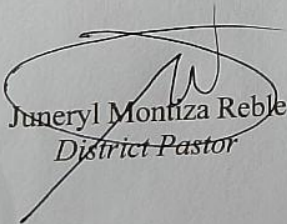

I am pleased to write this letter of recommendation for **IRAM JAY TUYOGON SARABOSING**, a bona fide church member of Juagdan Seventh-day Adventist Church, Juagdan Ubay, Bohol. He has demonstrated diligence and adaptability as an active youth member of my district. He have been actively involved in various church ministries including youth leadership, Sabbath School, community outreach, etc.. His commitment to spiritual growth and service is evident in both his personal life and church participation.

Mountain View College would be blessed to have such a passionate and dedicated student. I believe he will contribute positively to the campus community and be a faithful servant of God wherever He leads him.

This recommendation is issued upon the request of the above-named individual. Whatever favor or assistance extended to the said student will be cherished and highly appreciated.

May God continue to guide him as he follow God's calling.

Sincerely yours,

Juneryl Montiza Reble
