To Whom It May Concern,

I am writing to wholeheartedly recommend **Khlarice Ann A. Vasquez** for your esteemed scholarship program. As her principal and teacher for the past six (6) years, I have had the privilege of witnessing her remarkable dedication, academic excellence, and personal integrity.

Throughout her time at **San Jose Adventist Academy, Inc.**, Khlarice Ann has consistently demonstrated a strong work ethic and a genuine passion for learning. She stands out among her peers not only for her academic achievements but also for her meaningful contributions to our school community. She has actively participated in various extracurricular activities and held leadership roles, always bringing energy, creativity, and a spirit of collaboration.

One of the most impressive qualities about Khlarice Ann is her ability to balance multiple responsibilities while maintaining high academic standards. She approaches challenges with maturity, determination, and a positive attitude—traits that will undoubtedly serve her well in all her future endeavors. Notably, she has consistently ranked among the top of her class as a high honors student.

I am confident that she will make the most of the opportunities that the **FEU's Scholarship** provides. She is not only deserving of your support but will also serve as a commendable ambassador of the university's values.

Please feel free to contact me should you require any further information.

Sincerely,

GEDION F. FAMERONAG
School Principal
