### Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

Good day.

Jesa A. Pama is one of the youth here in our barangay. I known her since she was young. She is quiet but very respectful, and she is always active in school, barangay, and in church activities.

She is one of the students we are proud of here. Aside from doing well in her studies, she helps out in clean-up drives and other events when we ask for youth volunteers. She also joins church youth activities and is always present when there's something going on in our community. Last year, she was even crowned as Dagway Queen 2024 during our barangay fiesta, and she carried herself with pride and humility.

She also went through a hard time when her father passed away last November, but she stayed strong. She still continued helping and remained active in school and in the community.

I believe Jesa is a deserving student. I support her in this scholarship and hope you consider her.

That's all, thank you.

Adjecer P. Hagnaya.
