

Recommendation Letter

June 6, 2025

PCAFPD Scholarship Committee
Building Future Since 1983

To Whom It May Concern,

Greetings!

I am writing this letter in support of EZANN Z-KENT G. SALVAME in his application for the PCAFPD Scholarship Program. Ezann is a resident of Purok 7, Barangay Poblacion, Cagwait, Surigao del Sur, and the son of Zosimo L. Salvame, a known and bona fide constituent of our barangay.

It is with great sincerity that I vouch for Ezann Z-Kent's character and determination. His family is recognized as part of an indigent sector in our community, and I commend his strong efforts to pursue higher education despite financial challenges. Ezann has shown resilience and motivation, and it is evident that he possesses the potential to succeed academically and contribute meaningfully to society.

As Punong Barangay, I have seen many young people from our community grow and strive for better futures, and I believe that Ezann Z-Kent is among those who truly deserve this opportunity. With your support, I am confident that he will make the most of the scholarship and continue to uphold the values of hard work and service.

Thank you for considering his application. Should you need further information, you may contact our office.

Sincerely,

BERNARD V. LOMA
