## Recommendation

Right now, I have no experience in helping the community. But in the future, I want to change that. When I become successful, I will give

back to the people who need help.

I believe success is not just about earning money or getting a high position. It is also about helping others and making life better for them.

If I become a teacher, I will guide students and help them succeed. If I become a Barangay captain, I will listen to the people and solve

their problems. If I become a religious leader, I will teach kindness and unity. If I volunteer for Peace Corps, I will help people in different

places. If I become a civic leader, I will work for justice and fairness.

This scholarship will help me learn and grow. It will give me the knowledge and skills I need to help others. In the future, I will make sure

that my success is shared with the people who need it.

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to

community service and leadership. As the applicant's reference, please describe the applicant's demonstrated

leadership skills, accomplishments, and impacts on your community and any other relevant information you feel

the committee should know about the applicant.
