Applicant Information

Name: Jaymark Bago

Current School: Carlos P. Garcia Senior High School

Recommendation

I am pleased to recommend Jaymark Bago for the **PCAFPD** Scholarship. I have had the privilege of serving as his adviser and have closely observed his academic growth and leadership development throughout his senior high school years.

Jaymark has consistently ranked among the top students in his class, demonstrating not only academic excellence but also a deep sense of responsibility and determination. He is a student who seeks to understand, improve, and contribute whether in class discussions or community service projects.

As a leader, Jaymark has initiated several student-led activities, including clean-up drives and peer tutoring sessions. He has shown a sincere dedication to helping others and making a difference in our school and surrounding barangay. His humility, coupled with his ability to organize and inspire, makes him stand out among his peers.

Furthermore, Jaymark comes from a background where financial challenges are ever-present, yet he has never used this as an excuse. Instead, he uses his situation as motivation to strive harder and aim higher. I am confident that, if granted the PCAFPD scholarship, Jaymark will not only benefit from it but also give back to his community in meaningful ways.

I strongly support his application and believe he embodies the values and potential that **PCAFPD** seeks to support.

Sincerely,

Mrs. Crissy Gallardo
