

TO WHOM IT MAY CONCERN:

I am respectfully writing to explain my current academic status in relation to the recommendation letter requirements for the scholarship application. As a recent Senior High School graduate, I have not yet completed two (2) years of college education. Therefore, I am unable to provide recommendation forms from a college professor, registrar, or other college-level officials as stipulated in the application guidelines. I respectfully request your kind consideration and understanding regarding this matter. I remain fully committed to pursuing my academic and personal development and believe this scholarship would greatly support my goals.

Thank you very much for your time and consideration.

Respectfully yours.
