To Whom It May Concern,

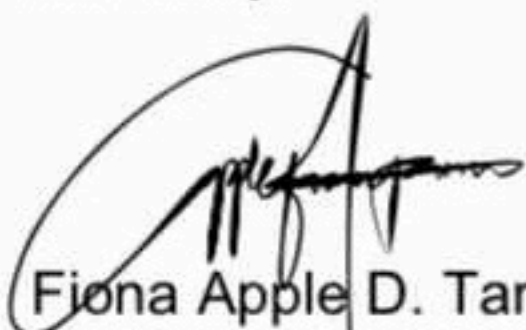

I am writing to wholeheartedly recommend Miss Aileen S. Morta for the Quezon City Youth Development Office (QCYDO) Scholarship Program. As the Head of the Fatima Phoenix Performance Guild Media Creatives Committee, I have had the privilege of working closely with Miss Morta, who served as an active and outstanding member of our Documentation Committee.

Throughout her time in the organization, Miss Morta consistently demonstrated a high level of dedication, professionalism, and creative talent. Her presence was always felt during events—not just through her attendance, but through her remarkable contributions in photography and videography. Her keen eye for detail and ability to capture moments that tell a story have greatly elevated the quality of our outputs.

Beyond her technical skills, what truly sets Miss Morta apart is her character. She is sociable, kind, and respectful toward her peers and fellow committee members. Her collaborative spirit and willingness to support others have made her a valued part of our team and a joy to work with.

I firmly believe that Miss Aileen S. Morta embodies the values of commitment, creativity, and leadership that the QCYDO Scholarship seeks to support. She is a promising young individual who, with the right support, will continue to make meaningful contributions to her community. Please feel free to contact me should you need any further information. I strongly endorse her application and wish her the very best in her academic and personal endeavors.

Sincerely,

Fiona Apple D. Tamo
