II. Family Composition

Name	Relation to Client	Age	Civil Status	Educational Attainment	Occupation
Moises C. De Leon Jr.	Father	44	Married	College Undergraduate	Videoke Rental Business
Martin James T. De Leon	Brother	20	Single	2 nd Year College (ISY)	Student

III. Problem Presented

The client came personally to our office requesting for Social Case Study Report. She is seeking assistance to avail a scholarship and planning to take a Bachelor of Tourism Management. Ms. Mikhaila only rely on her father who operates a Videoke rental business. However, his income is insufficient to sustain the family's daily needs and support her educational expenses . Hence, this request.

IV. Socio-Economic Background

Client was born and grew up in Barangay Poblacion, Aguilar, Pangasinan. She completed her Senior High School education at Aguilar Catholic School, Aguilar, Pangasinan.

At present, Ms. Mikhaila Jamel is an incoming 1st year college and planning to take a Bachelor of Tourism Management at Universidad de Dagupan. Based on an interview with the client, her father is the primary provider who operates a Videoke rental business. The family's income is often insufficient to cover both daily needs
