Recommendation

To the PCAFPD Scholarship Committee,

I am pleased to recommend **Sherbert C. De Chavez** for your scholarship program. As Sherbert's teacher, I have had the opportunity to observe his academic dedication, leadership qualities, and commitment to serving others.

Sherbert served as a student council member during his senior high school years, where he consistently demonstrated initiative, responsibility, and care for his fellow students. He took part in organizing various activities, including a school supply drive that directly supported students in need. His leadership style is grounded in empathy, action, and teamwork.

Despite facing financial challenges, Sherbert remains focused, disciplined, and determined to succeed in his pursuit of a **Civil Engineering** degree. He balances academic responsibilities with a strong desire to help others, making him a role model among his peers.

I believe Sherbert embodies the values that PCAFPD looks for in its scholars—**academic excellence, financial need, and a heart for service and leadership**. I am confident that with your support, he will go on to make a meaningful impact in his community and beyond.

Sincerely,

Axien Gian A. Macatangay
