Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I am pleased to recommend Ms. Gillian Romero for the PCAFPD Scholarship. I have known Gillian since she transferred to our school in Grade 11. As the Prefect of Discipline, I have observed her conduct and presence in the school community, and I can speak to her character, resilience, and quiet strength.

Throughout Gillian's time with us, she consistently followed school rules and maintained a clean disciplinary record. That in itself is worth recognizing—especially in a new environment where many students might struggle to adjust. Gillian did not only adjust well, but did so with grace and responsibility.

She demonstrates reliability and self-discipline in her day-to-day life as a student. Her teachers speak positively of her attitude toward learning, and she maintains good academic standing. While she may not have taken on overt leadership roles, she leads in her own way—by example, through respectful behavior, punctuality, and by staying true to her responsibilities. These are quiet but powerful forms of leadership.

I believe that Gillian would benefit greatly from the opportunities the PCAFPD Scholarship provides, and more importantly, that she will make good use of them. She is a student with potential, integrity, and a calm sense of purpose. With financial support and continued guidance, I am confident that she will grow into someone who will give back meaningfully to her community.

Please don't hesitate to contact me if you require further information.
