Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I greatly recommend Ms. Eloisa C. Sacas for I believed that she is a well-deserved grantee or recipient of this scholarship, if given a chance. As her former adviser I saw her perseverance, dedication and true commitment towards her duties and responsibilities as one of the Barkada Kontra Droga club officers. She has the ability to balance her academic and extra-curricular activities, despite the overwhelming requirements she needs to accomplish. Indeed, she was able to manage her workloads efficiently and effectively.

Moreover, Ms. Eloisa Sacas demonstrated an effective leadership skill, she leads with purpose and she never hesitate to learn new things, she proved that a true leader must be versatile and can work with grace under pressure. I also noticed that she emptied her cup whenever necessary for her to fill herself with new knowledge and skills.

Finally, I would say that she had meaningfully contributed to the success of the club's accomplished projects and activities last school year. She gives importance for what she had and I believed that if she became one of your good office's scholarship recipients it will not be wasted.
