To Whom It My Concern,

This is my pleasure of knowing **Justine Rovic A. Ramos** as one of the member of Sangguniang Kabataan ng Barangay. He has always shown brilliance in academic since he went to school up to now. He is always awarded with high honors and cooperative. I high recommend him for this scholarship program.

I am very certain that **Justine Rovic A. Ramos** will progressively move forward with his studies, the same way he has done so over the years.

In addition, he is very kind and law abider in our community, a good helper in any activities and have passion to serve others.
