Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

Humility, excellence, and calmness in the midst of complicated situations. These are the core values that best describe the character of Victoria.

As a youth leader engaged in youth development work in San Mateo, Rizal, Victoria has contributed significantly to the advancement and success of the youth sector. She lobbied to the Local Youth Development Council (LYDC) for the approval of a resolution compelling the Local Government Unit (LGU) to support the establishment of youth centers and hubs for the youth.

Victoria currently serves as the Co-Chairperson of the Youth Development Advocates Circle – Arts and Culture, a volunteer youth arm of the Municipal Government of San Mateo. This group organizes youth development activities that empower young people to express themselves through various forms of art. Recently, she led the YDAC in organizing a dance workshop, where she successfully coordinated with multiple stakeholders to ensure the event's success.

Despite her outstanding performance, one of Victoria's most admirable qualities is her down-to-earth character. She is always willing to listen to the suggestions and ideas of her fellow youth, yet remains assertive and proactive in contributing to the success of the initiatives she is involved in. Her involvement in the LYDC has made a significant impact in advancing institutionalized youth development in the municipality.
