Recommendation

It is with great confidence that I recommend Afeni Keshia Brioso for the PCAFPD scholarship. I have had the privilege of coaching Afeni since 2023 through our church's campus ministry at Victory Tanza, where she serves as one of our key student leaders.

Afeni is a dependable, mature, and values-driven young woman who consistently demonstrates strong leadership and a heart for serving others. She currently leads our discipleship coordination efforts for the youth, helping connect and guide students in their personal discipleship journey. She also leads one of our major campus outreach initiatives, engaging students from TNTS (Tanza National Trade School), and plays a key role in our communications team by helping craft and manage content that meaningfully connects with students in our community.

Her ability to lead, serve, and collaborate across different teams speaks volumes of her character. She works with excellence and integrity, consistently putting the mission above herself. Despite limitations in time and resources, Afeni remains faithful to her commitments—often going above and beyond in both her academics and volunteer responsibilities.

I believe Afeni is not only highly qualified for this scholarship but will also maximize the opportunity by continuing to give back to her community. She is driven by a purpose greater than herself and has already made a meaningful impact on the lives of many students.

Please feel free to reach out if you require further information about Afeni's character, leadership, or contributions.
