It is with great pride and enthusiasm that I write this letter of recommendation for Trisha Mae Tolentino Cunanan, who was a former part of my advisory class and served as the Vice President of our class during the school year 2025-2026. In this role, she consistently demonstrated exceptional leadership, responsibility, and integrity, qualities that set her apart as one of the most dedicated student leaders I have had the privilege to mentor.

As Vice President, Ms. Cunanan took an active role in organizing class activities, mediating concerns among classmates, and collaborating closely with both students and faculty to ensure smooth communication and effective implementation of school initiatives. She was instrumental in leading successful projects such as the donation drive, which benefited the flood victims of Typhoon "Kristine" in October 2024. Moreover, she showcased her ability to mobilize people, manage resources, and work towards meaningful causes when she received an excellent rating (100%) in her work immersion in Lingap General Hospital, a private hospital in Arayat, Pampanga.

Beyond leadership, Ms. Cunanan consistently excelled in academics, balancing her responsibilities while maintaining outstanding performance in her academics. She approaches every challenge with determination, creativity, and a strong sense of purpose. More importantly, she inspires others through humility, empathy, and an unwavering commitment to the betterment of the school and community.

I have no doubt that Ms. Cunanan possesses the passion, discipline, and vision necessary to thrive in higher education and contribute positively to society. I wholeheartedly recommend her for your scholarship program, confident that the opportunity will further develop her already remarkable potential.
