Name: Jin Paul Calinawan

Current School: Asian Institute of Science and Technology

Recommendation

To Whom It May Concern,

I am writing to recommend Jin Paul Calinawan. He helps with the chores in our church in Trece, doing tasks without needing to be reminded.

He is also academically smart. I've seen him assist fellow church members who are struggling with their studies, and he's always patient when teaching them.

Jin is quiet but dependable. He finishes what he starts and does things properly.

Sincerely,

Emelyn Mapagdalita Landicho
