### Recommendation

**PCAFPD scholars are chosen based on their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.**

I am writing to recommend **Ms. Dianne Divinagracia** as a candidate for your scholarship program. I had the chance to be her teacher, and I have also seen her involvement as a Lasallian volunteer in our school community.

Dianne is a responsible and hardworking individual. In class, she consistently performed well and demonstrated dedication to her studies. She consistently submitted high-quality work on time and took her responsibilities seriously. She may not have held formal leadership roles, but when given a task to lead or support an activity, she performs it well and with care.

Dianne has been active in volunteer work, particularly in the school community outreach efforts. She takes her role seriously and participates with sincerity. She is also generous with her time and effort, often helping others quietly without needing recognition.

What I appreciate most about Dianne is her simple, honest approach to service. She is respectful, dependable, and does her best in every task. I believe that she will use the support from your program to further her studies and continue her involvement in community work.
