Recommendation

I'm writing this letter in full support of **Mykaela Jane Felix**, a dedicated and hardworking youth from our barangay. As Barangay Captain of Barangay Poblacion, I've personally witnessed Mykaela's active involvement in our community—joining clean-up drives, helping during relief efforts, and volunteering in various local initiatives. She has consistently shown leadership, compassion, and a genuine desire to serve others.

What stands out most about Mykaela is her character. Despite the challenges she faces, she remains focused, responsible, and driven both in academics and in life. She's the kind of young person who not only dreams of a better future but actively works toward it—not just for herself, but for the people around her. I believe that with the right support, especially from your scholarship program, she has the potential to grow into someone who will make a meaningful difference in our society.

On behalf of our barangay, I wholeheartedly recommend Mykaela for the PCAFPD scholarship. She deserves the opportunity, and I'm confident she will make the most of it. Should you need anything further, please feel free to reach out.
