Applicant Information:

Name: Maria Irish E. Ibon Current School: Lyceum of the Philippines

University - Batangas

Recommendation

To the PCAFPD Scholarship Committee,

It is with great pleasure that I recommend Maria Irish E. Ibon for the PCAFPD Scholarship. As her church community leader, I have witnessed her exceptional leadership, compassion, and dedication to serving community that align perfectly with your mission.

She is an officer in a youth mental health organization that further and widens her commitment to uplifting others; she actively supported struggling students through counseling initiatives and awareness symposium. Her leadership during senior high demonstrated her ability to inspire and organize for the goodness of others. Managing and keeping tracks of fund from time to time, organizing the fundraising that is headed by her alumni institution.

In our church, Maria Irish volunteers enthusiastically, packing meals for the poor, coordinating events, and mentoring younger members. Her humility and work dedication shine whether she's leading behind the scenes or collaborating with teams.

Despite financial challenges, Maria Irish prioritizes service and excellence. Her resilience (she self-funds part of her BSMLS education) and her passion for healthcare and community welfare make her a deserving candidate. This scholarship would greatly help her to focus on her studies and give her positive impact.
