Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

Luis Sebastian U. Mitra was a delegate representing Canossa Academy - Lipa City, Inc., and has expressed competence in handling both academic and extracurricular responsibilities.

Beyond the classroom, Mitra's leadership qualities have been prominently displayed. His role as a delegate at the annual Youth Leadership Training program is a prime example. This program is a highly competitive and immersive experience designed to expose student-leaders to the inner workings of Local Government Unit offices. His participation in this initiative was more than just attendance; it was an active engagement with the principles of governance and public service. The culmination of this engagement was his successful election as the 6th City Youth Councilor, a testament to the respect and confidence he earned from his peers.

As a member of the Youth City Officials Batch 2024, Mitra has been an integral part of a collective effort to drive meaningful initiatives within the community. His active participation in the group's projects and discussions highlights his proactive nature and his genuine interest in contributing to civic life. This role has provided him with a practical understanding of policy, collaboration, and community engagement, skills that are invaluable for any future leader. His conduct throughout these varied roles has consistently exemplified the qualities of an exemplary senior high school student, marked by integrity, competence, and a genuine dedication to both his school and his community.
