Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

As a former teacher of Alex, I could say that he has good leadership skills because in every task that we are doing in class and even in school he really does exert effort to make the tasks meet the desired expectation. With regards to accomplishments, he is a consistent honor student and even graduated as the top student of their batch last year. I know that the chance and opportunity that you will be given to Alex will not be wasted because he is diligent, discipline, responsible and goal-oriented person. I hope you will consider this recommendation because it will be really a good help to him as well as to his family.
