Recommendation

It is with great confidence that I recommend Lyzel Anne B. Tuba-ang for the PCAFPD Scholarship Program. As an active and valued member of our Math Club, she has consistently demonstrated exemplary leadership, initiative, and dedication to both her academic and extracurricular responsibilities. She took the lead in coordinating club activities, ensuring that all tasks were carried out efficiently and that members were well-informed. Her commitment extended beyond organizational duties—during our tutorial sessions, she displayed exceptional academic competence and willingly offered guidance to her peers, fostering an environment of mutual support and learning.

Her reliability, accuracy, and willingness to serve reflect a strong sense of responsibility and a genuine commitment to community service. Through her leadership and collaborative spirit, she has positively impacted our school community, serving as both a role model and an inspiration to her fellow students. I believe these qualities, combined with her academic dedication and integrity, make her a truly deserving candidate for this scholarship.
