### Recommendation

**PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.**

Jhaden is the top of her class, demonstrating outstanding academic excellence. She has represented our school in numerous Mathematics competitions, both within and beyond the institution. During her Senior High School years, she achieved third place in the Congressional-level Math Quiz Bee and first place in the District-level Battle of the Wise. Beyond academics, Jhaden actively engages in extracurricular activities. As the president of the Mathematics Club, she organizes various events, showcasing her leadership and initiative. Additionally, she serves as a majorette leader, participating in parades and competitions with grace and skill. Her confidence and elegance shine through her participation in pageants, further highlighting her well-rounded abilities. She was a role model student in the school. All of Jhaden's accomplishments reflect her hard work, discipline, and ability to manage time effectively, even under pressure. However, despite her remarkable talents and dedication, her future success may be hindered by financial constraints or related challenges. Thus, I recommend Ms. Jhaden as a candidate for this scholarship as this would be a great financial assistance for her college study helping her achieve her goals and success. Thank you.
