Name: Khaizer E. Castro

Current School: San Jose City National High
School-Senior High School

Recommendation

Dear Members of the Scholarship Committee,

It is with great enthusiasm that I write this letter of recommendation in support of **Khaizer E. Castro** for the PCAFPD Scholarship Program. I have had the privilege of knowing and working with him for the past school year as his teacher and I can confidently say that he is an outstanding candidate who fully embodies the values your program upholds—academic excellence, leadership, and genuine service to the community.

Despite facing financial challenges, He has remained unwavering in his pursuit of academic achievement. He consistently ranks among the top students in his class, demonstrating remarkable dedication, intellectual curiosity, and a disciplined school ethic. What distinguishes him is not just academic talent, but a deep sense of purpose and responsibility.

In terms of leadership, He has repeatedly proven himself to be an exceptional and humble leader. He is former SSLG President and his ability to rally peers, coordinate logistics, and see projects through has left a lasting impression on our school and community.

Moreover, He demonstrates a sincere commitment to community service. He regularly volunteers for different volunteer works like school feeding programs, literacy drives, or disaster relief, showing a mature awareness of social issues and an inspiring desire to make a difference. It is this combination of heart, intellect, and action that makes him a remarkable role model among the class.

I wholeheartedly recommend him for the PCAFPD scholarship. I am confident that with your support, he will not only reach his fullest potential but will also continue to uplift others along the way. Please do not hesitate to contact me should you require any further information.

Sincerely,

REYMUS SM. PAULINO
