To Whom It May Concern,

It is with sincere respect and full support that I write this letter of recommendation for **Mr. Chriz Jepper F. Legaspina**, whom I have had the honor of working with as part of our chapel community here in **MOTHER OF PERPETUAL HELP CHAPEL ZONE - 9**.

Chriz has been an active and dependable servant of our chapel for nearly **3 years**. Throughout this time, he has shown unwavering dedication to our religious and community activities. Most notably, Chriz has taken a leadership role in organizing and leading our annual **Flores de Mayo** celebrations every May—an important tradition that brings both spiritual and cultural value to our community. His efforts include planning, coordinating volunteers, and guiding younger participants with patience and joy.

Beyond Flores de Mayo, Chriz has also consistently volunteered during Sunday masses, Holy Week activities, and chapel clean-up drives as his community service. He was also elected as President in our youth chapel organization. His presence is felt not only through his service but through the kindness, humility, and initiative he brings to every task, no matter how big or small.

Chriz exemplifies the values of servant leadership and selflessness. I firmly believe he is most deserving of a scholarship, as he has always demonstrated both **moral character** and **genuine commitment to the community**. It is my hope that this scholarship will help him continue to grow, not just academically, but in his mission to serve others.

Sincerely,

FELICIANO MONTECILLO
